

6th Biennial Cambridge
International Conference on Mental Health
20th - 22nd September 2017

Wednesday 20th September 2017 - Day 1	
Clare College, University of Cambridge, Cambridge, UK	
0800-0900	Registrations
0900-0905	Welcome and Opening Remarks: Rashid Zaman & Mark Agius
Symposium 1: OCD (Chair Dr Zaman & Prof Robbins), Riley Auditorium	
0905-0935	Trevor Robbins [Cambridge, UK] <i>The Cognitive Neuroscience of OCD: A Translational Perspective</i>
0935-0950	Annemieke Apergis-Schoute (Cambridge, UK) <i>Deep Brain Stimulation in OCD: cognition findings (STN versus VC/VS)</i>
0950-1010	Sam Chamberlain (Cambridge, UK) <i>Recent advances in the neurobiology of obsessive-compulsive related disorders</i>
1010-1030	Naomi Fineberg (UK) <i>Treating Obsessive Compulsive and Related Disorders; an Update</i>
Symposium 2: Brain Stimulation in Psychiatric Disorders (Chair Dr Zaman & Prof Baeken), Riley Auditorium	
1030-1040	Rashid Zaman (Cambridge, UK) <i>Repetitive Transcranial Magnetic Stimulation (rTMS) as a treatment for OCD?</i>
1040-1050	Igor Filipčić (Croatia) <i>Treatment of depression with TMS, comparing rTMS and dTMS</i>
1050-1110	Chris Baeken (Belgium) <i>Impact of accelerated HF-rTMS on neurochemicals and neural integrity: insights from 1H MR spectroscopy in treatment-resistant depression</i>
1110-1120	Marco Rotonda (Malta) <i>Advances in HD-tDCS stimulation: a new pipeline to build anisotropic head models</i>
1120-1140	Coffee
1140-1205	Joanna Neill (UK) <i>New drugs for Mental Illness, where will they come from?</i>
Symposium 3: Psychosis/Schizophrenia 1 (Chair X & Prof Horacek), Riley Auditorium	
1205-1225	Jiri Horacek et al. (Czech Republic) <i>How xenophobia modulates brain activity and neuronal processing of images of European refugee crisis: a fMRI study</i>
1225-1245	Spaniel et al (Czech Republic) <i>Schizophrenia as a cascading network failure. Morphology, functional connectivity and spectroscopy in first- episode schizophrenia spectrum subjects</i>
1245-1300	TBA
1300-1400	Lunch
Symposium 3: Psychosis/Schizophrenia 2 (Chair X & Y), (cont.), Riley Auditorium	
1400-1415	Yulia Zaytseva (Czech Republic/Russia) <i>Brain Connectivity in schizophrenia patients with auditory hallucinations</i>
1415-1430	Krzysztof Krysta (Poland) <i>Role of sex hormones & inflammatory markers in cognitive functioning in male schizophrenic patients</i>
1430-1450	Koksal Alptekin (Turkey) <i>Use of virtual reality in treatment of schizophrenia</i>
1450-1500	Patrizia Moretti (Italy), Norma Verdolini et al. (Italy)

**6th Biennial Cambridge
International Conference on Mental Health
20th - 22nd September 2017**

	<i>Oral vs. long-acting antipsychotics: hospitalization rate of psychotic patients discharged from an Italian Psychiatric Unit</i>
1500-1515	Francesco Franza, Avellino (Italy) <i>Assessing the critical issues of atypical antipsychotics in schizophrenic inpatients</i>
1515-1530	Nina Mayer (Croatia) <i>Treatment of patients in early phase of psychosis on psychotherapeutic inpatient unit – presentation of the therapeutic programme and evaluation of some aspects</i>
1530-1545	Joanna Szarmach, Adam Włodarczyk, Wiesław J. Cubała, Mariusz S. Wiglusz (Poland) <i>Benzodiazepines as adjunctive therapy in treatment refractory symptoms of schizophrenia</i>
1545-1610	Coffee
Symposium 4: Bipolar Disorder (Chair X & Y), Parallel symposium, Elton-Bowring Room, 1st floor	
1400-1420	Brunovsky M et al. (Czech Republic) <i>Prague bipolar offspring study: Psychopathological, neuropsychological and QEEG correlates</i>
1420-1440	Giuseppe Tavormina et al. (Italy) <i>Clinical utilisation of the rating scale of mixed states, the “GT-MSRS”: a multicenter study</i>
1440-1455	Maria Gałuszko-Węgielnik, Katarzyna Jakuszkowiak-Wojten, Mariusz S. Wiglusz, Joanna Szarmach, Adam Włodarczyk, Marta Herstowska, Wiesław Jerzy Cubała (Poland) <i>Lithium therapeutic dose monitoring in saliva</i>
1455-1515	Jenny Tillotson (UK) <i>Emotionally Responsive Wearable Technology and Biofeedback Scent Intervention for Affective Disorders</i>
1515-1530	Sarah Rae (UK) <i>Service Users perspectives in PROMISE and Research</i>
Short film, Riley Auditorium	
1610-1640	The Wounded Healer (a short film), Sal Anderson – Director & Producer
1800	Drinks at Scholars Garden, Clare College
1900	Gala Dinner at Great Hall, Clare College

Thursday 21st September 2017 - Day 2	
Clare College, University of Cambridge, Cambridge, UK	
0815-0845	Registration
Symposium 5: Depression (Chair Prof Pregelj & Dr MacInnes), Riley Auditorium	
0845-0905	Peter Pregelj (Slovenia) <i>Suicidal Behaviour between Environmental and Genetic Risk Factors</i>
0905-0920	Tomaž Zupanc (Slovenia) <i>Complex suicide</i>
0920-0935	Manaan Kar-Ray (Cambridge, UK) <i>Risk related Clinical Decision Making and update on PROMISE</i>
0935-0945	Virginio Salvi (Italy) <i>The metabolic effects of antidepressants</i>
0945-1000	Adrian Attard Trevisan (Malta) <i>EEG phenotypes as basis for biomarker driven personalized therapies</i>

**6th Biennial Cambridge
International Conference on Mental Health
20th - 22nd September 2017**

Symposium 6: Immunopsychiatry (Chair Dr Zaman, Prof Bullmore), Riley Auditorium	
1000-1030	Ed Bullmore (Cambridge, UK) <i>Inflammation and Mood Disorders</i>
1030-1055	Carmine Pariante (UK) <i>Who are the depressed patients with increased inflammation? Evidence from clinical and pre-clinical studies</i>
1055-1110	Bianca Oltean, Golam Khandaker (Cambridge, UK) <i>The Interleukin 6 Receptor Pathway in Depression and Psychosis: evidence for a causal role for inflammation in major mental illness</i>
1110-1135	Coffee
Symposium 6: Immunopsychiatry Cont., Riley Auditorium	
1135-1155	Nicholas Zdanowicz, Reynaert Christine, Jacques Denis, Dubois Thomas (Belgium) <i>Depression and immunity: a psychosomatic unit</i>
1155-1225	Christos Pantelis et al (Australia) <i>Neuroinflammation across stages of Schizophrenia: Role of microglia and the complement system</i>
Chair X & Y, Chair Zaman & Y, Riley Auditorium	
1225-1255	Barbara Sahakian (Cambridge, UK) <i>Improving cognitive dysfunction and motivation in Neuropsychiatric Disorders</i>
1300-1400	Lunch
Symposium 7: Philosophy & Arts related to Psychiatry (Chair Dr Agius, Prof Musalek), Parallel Symposium, Elton-Bowring Room, 1st floor	
1000-1025	Sandro Elisei (Italy) <i>Effects of music on seizure frequency in institutionalized subjects with severe/profound intellectual disability and drug-resistant epilepsy</i>
1025-1045	Kathleen Galvin (UK) <i>An existential approach to well-being</i>
1045-1105	Anthony Fry <i>Sexual freedom – Sexual nemesis: In search of the new morality</i>
1110-1135	Coffee
1400-1430	Michael Musalek (Austria) <i>Hospitality and mental Health</i>
1430-1450	Mark Agius (Cambridge, UK) <i>Charity, Hospitality and the Human Person</i>
1450-1505	Guenda Bernegger (Austria) <i>It's not a dream: you too can do it! Hope and despair in Psychiatry</i>
1505-1530	Mohamud Verjee (Qatar) <i>Reflecting on the humanities, related to experiences of illness, with a creative exploration of metaphoric spaces</i>
1530-1545	Martin Poltrum (Austria) <i>Psychiatrist & Psychotherapists in the Cinema</i>
1545-1600	Immacolata d'Errico (Italy) <i>Art as a means of accessing ourselves: using art in psychotherapy</i>
1600-1615	Ahmed Hankir (UK), Bruce Kirkcaldy (Germany) <i>Power of performing arts</i>

6th Biennial Cambridge
International Conference on Mental Health
20th - 22nd September 2017

1620-1640	Coffee
1640-1655	Romina Tavormina (Italy) <i>Overcoming the social stigma on mood disorders with dancing</i>
1655-1710	Arijana Turčin (Slovenia) <i>Evidence Based Psychiatry vs. Forum Based Psychiatry</i>
Chair X & Y, Riley Auditorium	
1400-1420	Ahmed Hankir (UK) <i>Challenging Islamophobia</i>
1420-1435	Clarke Carlisle (UK) <i>A professional footballer's experience of depression/mental illness OR "Football's suicide secret, based on BBC documentary</i>
Chair Dr Hankir & Y, Riley Auditorium	
1435-1505	Frederick Carrick (USA) <i>Eye movements and dyslexia and other childhood developmental disorders</i>
1505-1525	Catherine Mela (Greece) <i>The therapeutic model of Group Analytic Psychotherapy: An Hypothesis of Neuron-Immune-Analysis and Neuron-Immune-modulation</i>
1525-1550	Saeed Farooq (UK) <i>Early intervention in psychosis in resource poor setting - Learning from a public health approach</i>
Symposium 8: Addiction (Chair X & Y), Riley Auditorium	
1550-1600	Tecco J Gerard N, Kadji C, Bongaerts X, Desai P (Belgium) <i>Admitting or discharging patients with opiate or alcohol related problems? Psychiatrist uncertainty and welfare losses</i>
1610-1620	Delic M., Kajdiz K., Pregelj P (Slovenia) <i>Association between patient's personality traits and outcome of hospital treatment of opioid addiction</i>
1620-1640	Coffee
1640-1650	Mirjana Radovanovic, Maja Rus-Makovec (Slovenia) <i>Stability in perceived needs satisfaction on alcoholism treatment effects: 18-years follow-up</i>
1650-1700	Marta Struzik (Poland) <i>Demographical characteristics of dual diagnosis patients treated in the rehabilitation centre</i>
1700-1710	Emeline Eyzop (France) <i>To take into account addicted patients' motivation to seek treatment. A case report of a disordered gambler</i>
1710-1720	Maurilio GM Tavormina (Italy) <i>Playing with video-games: going to a new addiction?</i>
18:30	Special evening talk in Clare College Chapel: <i>Psychopathology of great composers by Prof. Cyril Hoschl (Czech Republic) with Piano performance from Slávka Vernerová – Pěchočová (Czech Republic)</i>
1930	Dinner at Great Hall, Clare College

**6th Biennial Cambridge
International Conference on Mental Health
20th - 22nd September 2017**

Friday 22nd September 2017- Day 3	
Clare College, University of Cambridge, Cambridge, UK	
0830-0900	Registration
Symposium 9: Teaching in Psychiatry (Chair Dr Andlauer & Dr Wilkinson), Elton-Bowring Room, 1st floor	
0900-0915	Clare Holt (UK) <i>Psychiatry early experience programme</i>
0915-0930	Clare Holt (UK) <i>Physical health training of junior psychiatrists</i>
0930-0945	Sophie Butler (UK) <i>Extreme Psychiatry</i>
0945-1000	Olivier Andlauer (UK) <i>Psychiatric education on the European level</i>
Symposium 10: EPA Mental Health in Intellectual Disabilities (ID), Riley Auditorium (Chair Dr Krysta & Prof Carrick)	
0900-0920	Frederick Carrick (USA) <i>Preliminary results in Autism research</i>
0920-0935	Krzysztof Krysta (Poland) <i>Telepsychiatry and Virtual Reality in the treatment of ID patients</i>
0935-0945	Bhatika Perera (UK) <i>ADHD in people with intellectual disability</i>
0945-0955	Agnieszka Bratek (Poland) <i>Mental diseases in elderly people with intellectual disability as a social and therapeutic challenge</i>
0955-1005	Emanuela Russo (Malta) <i>A home-based neurofeedback therapy for Autism Spectrum Disorders: A case study of a young adult patient</i>
Symposium 11: Free "Papers" (Chair Prof Zdanowicz & Y), Riley Auditorium	
1005-1015	Lepiece Brice, Reynaert Christine, Jacques Denis, Zdanowicz Nicolas. (Belgium) <i>Returning to work after mental health issues: a new preoccupation for mental health professionals</i>
1015-1025	Melanie Bruneau (France) <i>Desire for a child and eating disorders in women seeking infertility treatment</i>
1025-1035	Adam Włodarczyk, Joanna Szarmach, Katarzyna Jakuszkowiak-Wojten, Maria Gałuszko-Węgielnik, Mariusz S. Wiglusz (Poland) <i>Neurosyphilis presenting with cognitive deficits – a report of two cases</i>
1035-1055	Coffee
1100-1110	Giada Juli (Italy) <i>Genetics and psychiatry: myth or reality?</i>
1110-1120	Maria Rosaria Juli (Italy) <i>Perception of body image in early adolescence: a survey in secondary schools</i>
1120-1130	Katarzyna Jakuszkowiak-Wojten, Alicja Raczak, Jerzy Landowski, Mariusz S. Wiglusz, Maria Gałuszko-Węgielnik, Krzysztof Krysta, Wiesław J. Cabała (Poland) <i>Decision-making in panic disorder. Preliminary report</i>
1130-1140	Schepens Pierre, De Baeremaeker Virginie (Belgium) <i>Unfit to plead: mad or dangerous?</i>
1140-1155	Anton Grech (Malta) <i>Outcome Study of Multidisciplinary Treatment Programme for Obesity'</i>

6th Biennial Cambridge
International Conference on Mental Health
20th - 22nd September 2017

1155-1215	Patrizia Moretti (Italy) <i>Personality disorders features in a sample of women with perinatal depression in Perugia Hospital</i>
1215-1230	Maria Grazia Spurio (Italy) <i>The magic of caressing the mind by touching the body</i> <i>Take care of depression, face up to cancer: A new frontier of psycho-oncology</i>
Trainees Competition (6 mins each) (Chair X & Y), Parallel Session, Elton-Bowring Room, 1st floor	
1000 -1035	1. Callum Mckell (Leeds, UK) Ahmed Hankir (Leeds, UK) <i>The barriers to accessing and consuming mental health services for Palestinians with mental health problems residing in refugee camps in Jordan: A qualitative study</i>
	2. Jacques Denis, Dubois Thomas, Nicolas Zdanowicz (Belgium), Christine Reynaert , Chantal Gilain, Garin Pierre <i>Cochlear implant and psychiatric assessment: a Norrie syndrome, case-report</i>
	3. Muzzafer Kaser (Cambridge, UK) <i>Modafinil as a treatment option for cognitive dysfunction in depression: results from a proof-of-concept study</i>
	4. Sajjaad Khalil, Ahmed Hankir et al. (UK) <i>The Federation of Student Islamic Societies programme to challenge mental health stigma in Muslim Communities in the UK: The FOSIS Birmingham study</i>
	5. Roulet Tiffany, Zdanowicz Nicolas (Belgium) <i>Delusional parasitosis treated by atypical antipsychotic and selective serotonin reuptake inhibitor: a case report</i>
1035-1055	Coffee
1055-1120	6. Arani Vivekanantham, Abdur-Raof Sheikh, Hisham Omer, Nicholas Bescoby-Chambers (UK) <i>Physical health assessment and medicines reconciliation on admission to a mental health unit: a quality improvement project</i>
	7. Katherine Fenton (Australia) <i>Improving Patient Flow on Adult Mental Health Units: A multimodal study of Canberra Hospital's Acute Psychiatric Facilities</i>
	8. Catherine Odelola (UK) <i>Re-audit of the contents of GP Referral letters to community psychiatrists</i>
	9. Sam Gnanapragasam (UK) <i>Forensic psychiatry in the context of global health</i>
Phd Students Competition (6 mins each) (Chair X & Y) Parallel Session, Glover Room	
1000-1035	1. De Witte Sara (Belgium) <i>MRI based neuro-navigation for transcranial direct current stimulation (tDCS)</i>
	2. Josefien Dedoncker, Baeken Chris et al (Belgium) <i>Prefrontal tDCS influences medial prefrontal connectivity after being criticized</i>
	3. Thomas Dubois, Nicolas Zdanowicz (Belgium) <i>The psycho-immunological model as a psychosomatic entity: a literature review of interactions between depression and immunity</i>
	4. Zhi Li (China) <i>Functional imaging work in schizophrenia spectrum disorders, including their unaffected first-degree relatives</i>
	5. Nikolina Skandali, Rowe, Voon, Deakin, Robbins, Sahakian (Cambridge, UK)? <i>The effects of acute challenge with Escitalopram on inhibitory control in healthy volunteers</i>
1035-1055	Coffee
1055-1110	6. Quah, S.K.L, Santangelo, A.M, Roberts, A.C. (Cambridge, UK) <i>Serotonin transporter (SLC6A4) expression</i>

**6th Biennial Cambridge
International Conference on Mental Health
20th - 22nd September 2017**

	<i>and Serotonin 2A receptor and 2C receptor expression ratio (HTR2A:2C) in the right amygdala and dorsal anterior cingulate cortex (dACC) associates with anxious behaviour</i>
	7. Chiara Toschi (Cambridge, UK) <i>The role of mesolimbic dopamine in impulsivity</i>
Medical Students Competition (6 mins each), Parallel Session, Elton-Bowring Room, 1st floor	
1120-1240	1. Tanvi Acharya (Cambridge, UK). <i>The importance of hope against other factors in the recovery of mental illness.</i>
	2. Duku Adelaide & Fathima Rawther (Buckingham University, UK). <i>Audit – Prescribing PRN medication.</i>
	3. Sajeed Ali, Peter Zhukovsky, Lucy Jenner & Jeff Dalley (Cambridge, UK). <i>Differential effects of monoamine oxidase-A and -B inhibition on cognitive flexibility in rat models.</i>
	4. Phillipa Brothwood (King’s College London, UK), Ahmed Hankir (Leeds, UK), Rashid Zaman (Cambridge, UK), et al. <i>‘A Labour of Love’: A King’s College London Psychiatry Society Event to challenge the stigma attached to mental health problems in post-natal women</i>
	5. Mahima Chandrasekhar, Paul Wilkinson (Cambridge, UK). <i>Accurate depiction of mental illness in literature across the centuries</i>
	6. Marta Ciułkiewicz, Weronika Bulska (Poland). <i>Dynamics of changes in sleep disorders, depression and anxiety among Multiple Sclerosis patients - a few years observation.</i>
	7. Lucia Coulter, Mina Ibrahim, Ravi Patel, Mark Agius (Cambridge, UK). <i>Linking the psychosocial aetiology and neurobiology of unipolar depression.</i>
	8. Aleksandra Ćwiek, Marcelina Czok, Bartłomiej Kurczab, Krzysztof Kramarczyk, Karolina Drzyzga, Krzysztof Kucia (Poland). <i>Association between depression and haemodialysis in patients with chronic kidney disease.</i>
	9. Marcelina Czok (Poland). <i>Association between affective disorders and the usage of low and medium doses of corticosteroids.</i>
	10. Arkadiusz Dudek (Poland). <i>Analysis of facial expressions in patients with schizophrenia in comparison with healthy controls - pilot study.</i>
	11. Oleg Fedyk (Poland). <i>The pursuit of pleasure - a subjectively measured global quality of life as a screening method for problematic use of drugs and alcohol</i>
1240-1330	Lunch
1330-1600	12. Chloe Gamlin (Cambridge, UK). <i>When Asperger’s Disorder came out.</i>
	13. Chloe Gamlin, Kate Womersley (Cambridge, UK). <i>Can you be a doctor even if you faint? The tacit lessons of Cadaveric dissection.</i>
	14. Aparna Ganesh (India). <i>Impact of Stress on Type2 Diabetes Mellitus management.</i>
	15. Benjamin Geers, (Manchester, UK), Ahmed Hankir (Leeds, UK), Rashid Zaman (Cambridge, UK) et al. <i>The Wounded Healer film: A London College of Communication event to challenge mental health stigma through the power of motion picture.</i>
	16. Nishan Ghoshal, Paul O. Wilkinson (Cambridge, UK). <i>Flowers for Algernon: The ethics of human experimentation on the intellectually disabled.</i>
	17. Anisah Rahman, Farzad Hosseini, Boris Iankov, Shilpa Prabhakar, (Buckingham University, UK). <i>Audit - monitoring of side effects using GASS (Glasgow Anti-Psychotic Side- Effect Scale).</i>
	18. Katherine A. Irwin, Mark Agius (Cambridge, UK). <i>How does continuity of care affect quality of care in primary healthcare?</i>
	19. Magdalena Krawczyk (Poland). <i>Practicing hatha-yoga, sense of coherence and sense of agency. Neurophenomenological approach.</i>
	20. Ada Maria Krzak, Jenny Cao (Cambridge, UK). <i>How does neurogenesis relate to depression and is</i>

6th Biennial Cambridge International Conference on Mental Health 20th - 22nd September 2017

	<i>neurogenesis affected by antidepressants?</i>
	21. Mao Fong Lim (King's College, London, UK), Isabelle Lever (King's College, London, UK), Ahmed Hankir (Leeds, UK), Rashid Zaman (Cambridge, UK), et al. <i>A King's College London Undergraduate Psychiatry Society event to challenge the stigma attached to psychological problems in healthcare professionals and students.</i>
	22. Samara Linton (University College London, UK), Ahmed Hankir (Leeds, UK), Rashid Zaman (Cambridge, UK), et al. <i>Harnessing the power of film to combat mental health stigma. A University College London, Psychiatry Society Study.</i>
	23. Anna Makeever (Cambridge, UK). <i>MRI and neurocognitive investigation in middle-aged adults at risk of dementia: A PREVENT study.</i>
	24. Avriel McDonnell (Czech Republic). <i>Is there an optimal cognitive app to be used for cognitive remediation in clinical psychiatric practice?</i>
	25. Alexandra Morozova (Czech Republic). <i>Comparative analysis of theory of mind tests in first episode psychosis patients.</i>
	26. Hannah Pendegast (Leeds, UK), Ahmed Hankir (Leeds, UK), Rashid Zaman (Cambridge, UK), et al. <i>The Federation of Student Islamic Societies programme to challenge mental health Stigma in Muslim communities in Ireland: The FOSIS Dublin study.</i>
	27. Anika Sahni (Imperial College, London, UK). <i>Using the PHQ-9 self-rating scale to assess depression in primary care</i>
	28. Kinga Tyrła-Seweryn, Mariusz Seweryn, Krzysztof Krysta (Poland). <i>Analysis of urinary incontinence and depression among young women.</i>
	29. Amie Varney, Kate Womersley, Mark Agius (Cambridge, UK). <i>What are the risks associated with the use of NSAIDs as an adjunct to SSRIs for treatment of depression? An evaluation of current evidence.</i>
	30. Shentong Wang, Katherine Alice Wilkinson, Mark Agius (Cambridge, UK). <i>Do General Practitioners follow guidelines on the use of anti-depressants to treat depression? Can the situation be improved?</i>
	31. Paul Tern Jie Wen, Ali Abdaal, Jake Tobin, Katherine MacFarland, Molly Hunt, Mark Agius (Cambridge, UK). <i>A review of the efficacy of the card sort exercise in the treatment of bipolar disorder.</i>
	32. Rachel Wilson, (Imperial College, London, UK). <i>What is the evidence for using the PHQ-2 as 2 questions to depression?</i>
	33. Kate Womersley, Katherine Ripullone (Cambridge, UK). <i>What are the risks associated with different Selective Serotonin Re-uptake Inhibitors (SSRIs) to treat depression and anxiety in pregnancy? An evaluation of the current evidence.</i>
	34. Sophie Woodhead (Imperial College, London, UK), Trevor Robbins (Cambridge, UK). <i>The relative contribution of goal-directed and habit systems to psychiatric disorders.</i>
	35 Harry Knights (UK) <i>Disulfiram in AIDS</i>
1600-1630	Prize ceremony (trainees, Phds, medical students competition) & Close of Conference: Riley Auditorium
1630-1635	Closing Remarks: Rashid Zaman & Mark Agius
Posters	Garden Room
1930	Dinner at Great Hall, Clare College

6th Biennial Cambridge International Conference on Mental Health 20th - 22nd September 2017

We thank our Sponsors and invite you to visit the trade exhibitions on site

Collaboration:

Bedfordshire Centre for Mental Health Research in association with the University of Cambridge (BCMHR-CU)
University of Cambridge
Clare College, Cambridge
East London Foundation NHS Trust (ELFT)
Cambridge and Peterborough Foundation NHS Trust (CPFT)
European Psychiatric Association (EPA)
Catholic University of Louvain, Belgium
Charles University, Prague, Czech Republic
Royal College of Psychiatrists

Organising Committee:

Dr Mark Agius
Dr Rashid Zaman
Dr Nadeem Mazi-Kotwal
Dr Ahmed Hankir
Dr Manaam Kar-Ray
Prof. Ed Bullmore
